PW News: Apple Butter Sales see Pat Sweet, Judy Null or Mary Orr.

The council thanks everyone who had a part in planning and working our Fall Festival. New this year, due to the increase in supplies, there will not be any complimentary lunches for the workers during the Fall Festival. We will all be donating not only our time to each of our booths but also supporting our kitchen for an overall successful Fall Festival Project. This is our largest fund raiser for the year and free lunches take a big bite out of our kitchen profits.

I hope we all remember that we are all working for the church through our love for our church. If you are a chairman of a booth please inform your volunteers of this change and that they will each be responsible for their own lunch and hopefully it will be in our kitchen in the fellowship hall.

Future events for the PW are: Nominations and election of PW Council Officers. The PW Thank Offering will be coming up in October. The PW Holiday Celebration Lunch and installation on Saturday Nov. 16th, open to all women of the church, and our annual cookie/candy sales and Christmas Tour Luncheon Saturday Dec. 7th. There will also be a clothing drive in November for Safe Place, date to be announced.

Reminder for Fall Festival Trash to Treasures Items: Muriel needs CLEAN trash items. Every year we stress “Clean”, this means no dirty boxes or bags that have been stored in basements or garages and may have spiders and evidence of other critters. We do not want these in our church. You may bring items to the Narthex on Wednesday, Oct. 2nd thru Fri. Oct. 4th 9:00 am to 5:00 pm and Wednesday evening from 6:00 pm to 7:30 pm. **PLEASE DO NOT BRING ITEMS IN BEFORE THESE DATES.** (no room to store)

1. NO CLOTHING (we will have a clothing drive in November)
2. Will accept gloves, mittens, hats, jewelry etc.
3. Unbroken household items - if they need batteries please include them
4. Other items such as tools and lawn items
5. Toys in Good condition and books sell well

Remember your trash may be another's treasure. Thank you

Kitchen Renovation Fund – Dave Null. Donations are needed towards renovation of our kitchen cabinets. There hasn't been any repairs towards kitchen cabinets since the kitchen was moved to current location and that has been several years. Several door fronts are in dire need of attention before they get so bad that we are facing complete replacements. We will appreciate any support you can contribute to this project. Thank you
